## Caution

Follow this guidance.

[Precautions for Use and Handling]

- Do not use on areas of skin with wounds, boils, eczema, or other abnormal conditions.
- Store out of the reach of infants.
- Only use for the intended applications.
- Do not combine with other products.
- Avoid storing in very hot or very cold conditions, and store out of direct sunlight.
- This product may change color and become less viscous over time. These changes do not affect product quality.
- Shake well before use as ingredients can separate.

● Always check carefully for skin reactions or similar issues when using this product. Stop using this product if it disagrees with your skin and you develop the following abnormal symptoms.

Continuing to use this product can exacerbate these symptoms. Consulting with a dermatologist or other medical specialist is recommended.

(1) Abnormal redness, swelling, itchiness, sensitivity, color loss, or staining develops during use

(2) After using this product, symptoms like those listed above develop when the affected skin is exposed to direct sunlight

(Guidance based on standards of the Japan Cosmetic Industry Association)
