

Phosphate-Free

Neutral

For Everyday Cleaning with Effective Disinfection

Niitaka Disinfecting Neutral Detergent E

A disinfecting detergent that effectively cleans and disinfects in a single step. Not just for dishes. Suitable for cleaning and disinfecting all parts of the kitchen.

Effective Disinfection

Provides broad spectrum disinfection of gram-negative bacteria, gram-positive bacteria, and fungi (molds and yeasts).

Gentle on Surfaces

The neutral formulation is gentle on all materials including metals and suitable to use on variety of surfaces, including kitchen counters, refrigerators, show cases, floors, and carts.

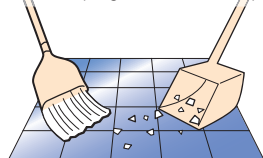

Eco-Friendly Formula

Contains a well-balanced mixture of natural fatty acid-based surfactants and surfactants based on higher alcohols.

Instructions for Use

* Suggested amount of Disinfecting Neutral Detergent E.

Floors (10 g into 1 L of water*)

Remove any debris from the floor

Disperse a dilute solution and scrub with a deck brush

Rinse thoroughly with running water and dry with a floor squeegee

Cooking Equipment (10 g into 1 L of water*)

Apply detergent to a sponge and scrub away grime

Rinse thoroughly with water and dry
