# Cleaning Performance Combined with Powerful Disinfection

4 kg

**Commercial Use  
Disinfecting Detergent**

## Niitaka Disinfecting Neutral Detergent

A superior disinfecting detergent that disinfects while you clean.  
Excellent for cleaning and disinfecting kitchen areas.

### Features

#### Superior Disinfection

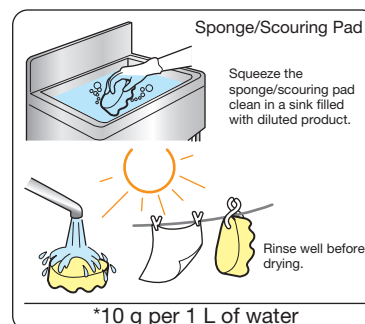

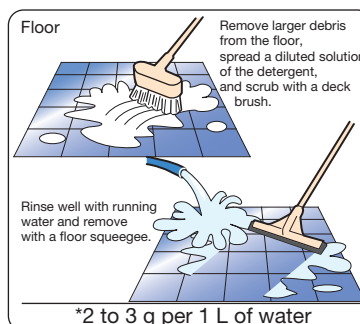

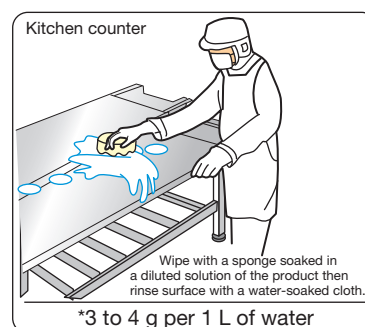

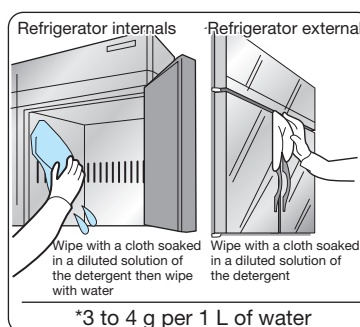

Contains quaternary ammonium salts for broad spectrum disinfection of gram-negative bacteria, gram-positive bacteria, and fungi (molds and yeasts).

#### Highly Effective Neutral Detergent

The neutral formulation is not damaging to metals and other materials and does not corrode aluminum. Suitable for cleaning kitchen counters, refrigerators, show cases, floors, carts, and more. Superior cleaning performance removes dirt and grime with ease.

#### Reduced Labor and Improved Hygiene

Simultaneously cleans and disinfects for reduced labor requirements. Never forget to disinfect again. Helps maintain and improve hygiene levels.

\*Suggested amount of disinfecting neutral detergent.

■ Soft bottle container. Crush and fold after use for reduced volume.

### Product Data

Product Name	Disinfecting Neutral Detergent 4 kg × 4
Packaging	4 kg × 4 units/case
Product Dimensions	Length 203 mm × Width 124 mm × Height 254 mm
Case Dimensions	Length 418 mm × Width 260 mm × Height 261 mm
Stacking Limit	3 cases (at 40°C and 90% humidity)
Product Code	231031
JAN Code	4975657200126
ITF Code	14975657200123
