## Powdered Laundry Detergent 5K

Powdered type

Commercial Use Powdered Laundry Detergent

### Features

#### Powerful Cleaning; Perfect for Commercial Use!!

Removes even stubborn dirt and grime, keeping clothes clean.

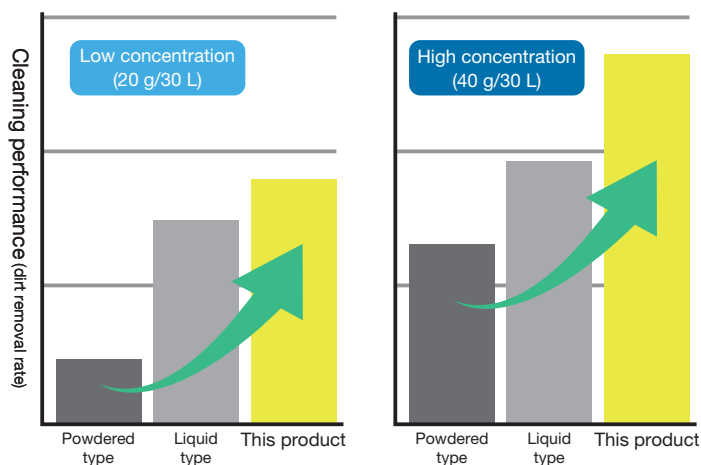

Works at low concentrations for more eco-friendly cleaning and better cost-effectiveness.

#### Dissolves Easily in Water!

Ingredients are carefully selected and spray-dried to ensure the detergent particles dissolve easily in water.

- Measuring spoon not included. Below products also available on request.  
988525: 50 cc measuring spoon, 901057: 500 mL measuring cup (GJ0975)
- Liquid laundry detergent also available. See details below.  
236635: Liquid Laundry Detergent N 5 kg

#### Powerful cleaning at low and high concentrations!!

Proportion of dirt removed from an artificially soiled test cloth  
(Compared against previous Niitaka product)

- Please use according to care labels on clothing.
- Do not use on clothing that cannot be washed in water or requires a neutral detergent.
- This product contains a fluorescent whitening agent. Avoid using on unbleached fabric or lightly-colored, patterned fabric.
- Also avoid using on any other fabrics if there is a risk of fading or a change in texture.

#### ⚠ Precautions for Use

Always read the “Instructions for Use” and “Precautions for Use” printed on the product label before use.
